

# Kishor Mote

**Address:** Gurudwara chowk, Akurdi, pune

**Mob:** 9356781803

**Email ID:** [kishormote2003@gmail.com](mailto:kishormote2003@gmail.com)

## COREER OBJECTIVE

I strive to create impactful technology solutions as a full-stack developer, solving real-world challenges efficiently. My focus is on leveraging programming skills and continuous learning for meaningful contributions.

## ACADEMIC QUALIFICATION

Qualification	Institute	Specialization/Stream	Year	Percentage/CGPA
Bachelor Of Engineering	D.Y Patil College Of Engineering Akurdi, Pune	Information Technology	June 2026	7.65
H.S.C	Shripatrao Bhosale Junior College Dharashiv	Computer Science	2021	86%
S.S.C	Shripatrao Bhosale high school Dharashiv	Semi-English	2019	74%

## Skills

- C, C++, Java, Python.
- HTML, CSS, Javascript, React, MySQL, MongoDB, ExpressJS, NodeJS, ML
- Git, Github

## Experience

- Developed a **Money Tracker App** to efficiently manage expenses and track financial records.
- Created a **Bilingual Dictionary with Voice Recognition**, enabling seamless translations and speech-based interactions.
- Worked on diverse projects, showcasing expertise in **full-stack development**, problem-solving, and innovation.

## Projects

- Expense Tracker App**  
Developed a full-stack app to track income and expenses with visual charts. Built with Node.js, and MongoDB.
- User Registration and Authentication**  
Implemented secure user login with bcrypt for password hashing, and MongoDB for data storage.

## Achievements

- Winner, SIH 2024:** Secured the first position in the Madhya Pradesh Police International Hackathon for the "Fuzzy Name Conversion for Criminal Records" project.

- Solved 350+ problems across multiple platforms, including **LeetCode**, **CodeChef**, and **GeeksforGeeks**, demonstrating strong problem-solving and algorithmic skills

## Leadership

---

- **Commander, Competitive Programming and Mentorship Club (CPMC):** Led the club since the start of the second year, providing guidance and mentoring junior members. Organized events to foster learning, teamwork, and growth in competitive programming
